

WHAT PEOPLE ARE SAYING

(Names withheld to respect confidentiality)

Thank you for assisting us, we appreciate your dedication a ton.

—

My SmartSettle facilitator explained things to me very clearly. She made it easy to understand.

—

My SmartSettle facilitator was concerned for our situation and was very professional and trustworthy.

—

I was quite satisfied with the SmartSettle approach because it was more realistic than other approaches.

—

The outcome we reached with SmartSettle was achieved quickly and was even better than I expected.

CONFLICT RESOLUTION CENTRE TEAM

A team approach ensures that you get the professional help you need. SmartSettle team members have been chosen for their expertise, sensitivity, good communication skills and a common sense approach to life's problems. Our facilitators come from various backgrounds including psychology, social work, mediation, law, and business.
